Suitable for use with all indoor bins, the Deo-Bin is an eco-friendly, odour destroying bin patch designed to contain and prevent unpleasant odours from escaping into the surrounding area. Ideal for use in the likes of offices, schools, leisure centres and canteens, it incorporates a distinctive carbon laminate with innovative odour neutralising technology.

Offering up to three months protection against bin odours, it is extremely easy to apply through the simple peeling of the self-adhesive patch from the protective backing liner and then sticking it to a cleaned area inside your bin. Supplied in packs of 2.

## Technical Specification

<b>Height - mm</b>	1030
<b>Capacity - Litres</b>	100
<b>Construction Material (Not Standardised)</b>	Medium Density Polyethylene
<b>Colour</b>
